

WEST FLORIDA THEOLOGICAL SEMINARY

Bachelor of Arts in Religion

OVERVIEW

The Bachelor of Arts in Religion provides a solid foundation for both ministry and advancing academically. We have designed our Bachelor of Arts in Religion to give our graduates a more in-depth biblical knowledge. The degree consists of 54 credit hours of Biblical Studies (each book of the Bible will be studied), 15 credit hours of Theology, 9 credit hours of Apologetics, 18 credit hours of Worldview, and 12 credit hours of Ministry Preparation. The goal with the Bachelor of Arts in Religion is to give our graduates a broad foundational knowledge of religion while equipping them for ministry in the Christian Faith.

EDUCATIONAL OUTCOMES

- Christlike character and spiritual maturity
- Develop a servant-hearted leadership
- Develop the ability to think critically and logically
- Ability to understand and apply basic principles of hermeneutics to the Bible
- A thorough understanding of the nature, structure, and narrative of the Bible
- A basic understanding of context, argument, and theology of all 66 books in the Bible
- Ability to articulate and defend the essential doctrines of the Christian Faith
- A basic understanding of Systematic Theology
- A basic understanding of the differences between Dispensational and Covenant Theology
- Develop a complete Biblical Worldview with the ability to apply it to every area of life
- Ability to analyze, compare, and contrast worldviews that are antithetical to the Christian Worldview
- Develop the tools and skills that are necessary for further research and study in order to cultivate a lifelong biblical learning process
- Enhance the ministry skills needed for your calling
